

INTERVIEW QUESTIONNAIRE

Project Title: Seal of Good Local Governance Document Submission Portal with Analytics for Silang, Cavite

Interviewee: Mr. Jerome M. Lingan (MLGOO)

Date of Interview: July 14, 2026

Part I. SGLGB Core Areas and Categories

Layunin: Malaman ang mga pangunahing katagorya (folders/modules) na ilalagay sa system.

1. **What are the core governance areas or categories under the SGLGB that we need to include in the portal?**
(e.g., Financial Administration, Disaster Preparedness, Social Protection, Peace and Order, etc.)

○ **Answer/Notes:** _____

2. **Are there sub-categories within these core areas that we need to be aware of when organizing the database?**

○ **Answer/Notes:** _____

Part II. Masterlist of Required Documents

Layunin: Makuha ang eksaktong pangalan ng mga files na i-uupload ng mga barangay.

3. **Can you provide a specific list of required documents for each SGLGB core area?**

(e.g., Under Social Protection: VAWC Desk Report, BCPC Report, PWD Registry. Under Peace & Order: KP Reports, Clearing Ops.)

○ **Answer/Notes (Ask for a physical or digital copy of their checklist if available):**

4. **What is the required frequency of submission for these documents?**
(Which documents are submitted Monthly? Quarterly? Semi-Annually? Annually?)

○ **Answer/Notes:** _____

5. **What are the acceptable file formats for these submissions?**

(e.g., Are scanned PDF copies required? Do you accept image files like JPG/PNG for photo documentation like Clearing Operations?)

- **Answer/Notes:** _____

Part III. Compliance Tracking and Evaluation Workflow

Layunin: Maintindihan kung paano tsine-check ng DILG ang mga ipinasa para magawa ang "Status" tracking sa system.

- 6. Walk us through the manual process: What happens after a Barangay Secretary submits a document to your office (or via Group Chat)?**

- **Answer/Notes:** _____

- 7. What specific statuses should we include in the system for tracking?**

(e.g., Pending, Under Review, Verified/Approved, Returned for Correction, Missing/Overdue)

- **Answer/Notes:** _____

- 8. If a document is "Returned" or rejected, how do you currently communicate the needed corrections to the barangay? (This will help us design the feedback/comment feature).**

- **Answer/Notes:** _____

Part IV. Analytics and Dashboard Requirements

Layunin: Malaman kung anong klaseng summary o computation ang gusto nilang makita sa DILG Admin Dashboard.

- 9. For the analytics part of our system, what specific data or reports do you want to see at a glance on the DILG Admin Dashboard?**

(e.g., Percentage of compliant barangays, list of barangays with missing documents, overall municipality score)

- **Answer/Notes:** _____

- 10. What are the most common errors or pain points you experience with the current manual submission system that you hope this portal will solve?**

- **Answer/Notes:** _____

Part V. System Validation (Wireframe Presentation)

Layunin: Makakuha ng feedback mula sa DILG base sa inisyal na disenyo (wireframes) ng system na nakahiwalay para sa Checker at Admin.

A. For the DILG Checker (Validator) Role

(Here are the initial wireframes for the DILG Checker. This role focuses on receiving, reviewing, and verifying individual document submissions from the barangays.)

11. Para sa Checker role, ipinapakita sa disenyo ang listahan ng mga pending na dokumento at ang interface kung saan pwede itong i-verify o ibalik (return) na may kasamang comment. Sa tingin niyo po ba, sapat na ang ganitong layout para mas mapabilis ang inyong araw-araw na pag-check ng mga files?

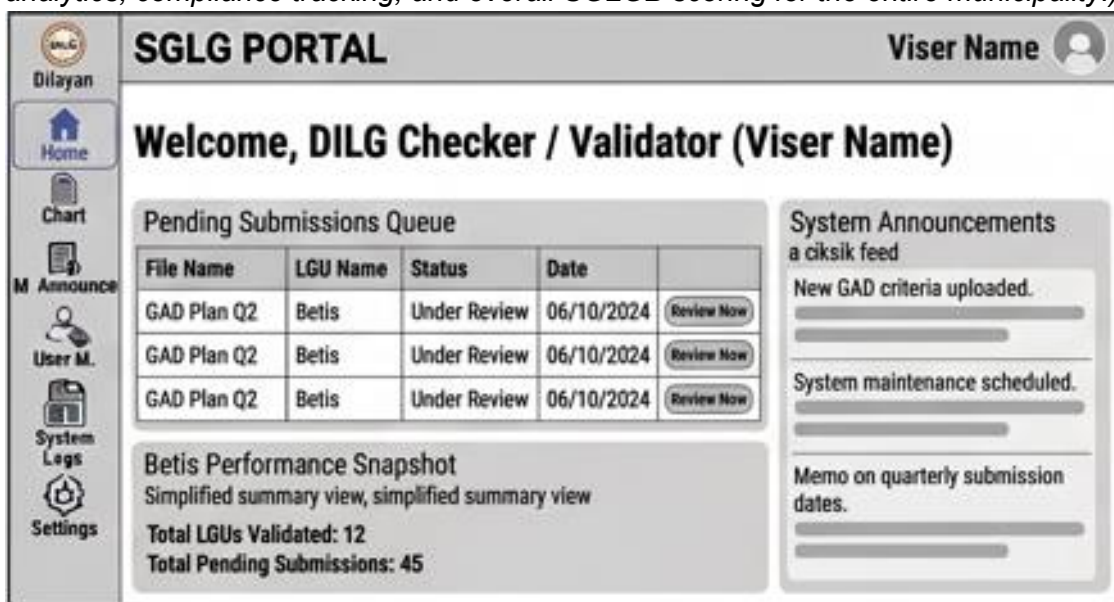

○ Answer/Notes:

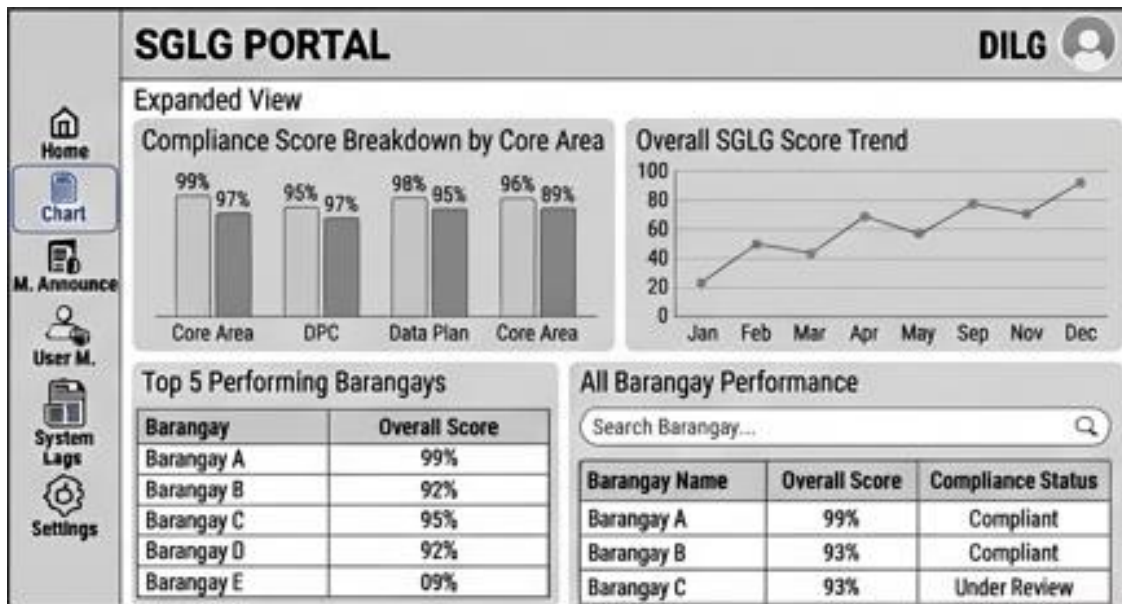

12. Mayroon po ba kayong hinahanap na specific tool o button na kailangang idagdag sa screen ng Checker kapag nagre-review ng dokumento?

○ Answer/Notes:

B. For the DILG Admin (Evaluator) Role

(Here are the initial wireframes for the DILG Admin/Evaluator. This role focuses on high-level analytics, compliance tracking, and overall SGLGB scoring for the entire municipality.)

13. Para naman po sa Admin/Evaluator role, ang focus ng dashboard ay ang kabuuang SGLGB Compliance Score ng Silang at ang ranking ng mga barangay. Nakakatulong po ba ang ganitong klaseng analytics at visual graphs sa inyong monitoring at paggawa ng report?

○ Answer/Notes:

14. Bukod sa overall score at listahan ng mga missing documents, ano pa pong specific na data o graph ang gusto ninyong makita agad pag-login ninyo bilang Evaluator?

○ Answer/Notes:
